

Monarch School is Hiring Associate Teachers

Monarch Center for Autism at Bellefaire JCB is looking for full-time Associate Teachers to work at Monarch School, which serves students ages 3 through 21 with Autism Spectrum Disorder. This person should be caring, creative and passionate about making a difference in the lives of children.

How to Apply:

- To apply for an Associate Teacher position at Monarch School, please email your resume to the Director of Monarch School, Debra Mandell at mandell@bellefairejcb.org
- Please indicate whether you're interested in working over the summer (June 21-July 9, 2021) and/or throughout the 2021-2022 school year
- For more information, please contact Debra Mandell at mandell@bellefairejcb.org or 216-320-8945

Position Overview:

The Associate Teacher will work within an interdisciplinary team that includes an Intervention Specialist, Speech Language Pathologists, Occupational Therapists, Behavior Specialists, Art Therapists, Music Therapist, Recreational Therapist, Horticulture Therapist, and additional Associate Teachers. Classroom teams are intentionally small, so students can receive one-on-one and small group instruction, within the confines of Monarch's visual language immersion teaching Model. The Model combines concept-driven language instruction with visual supports, technology and Applied Behavior Analysis (ABA).

This is a great position for those looking to gain experience in careers such as special education, occupational therapy, speech therapy, behavior analysis, and more!

Responsibilities include but are not limited to:

- Assisting in the teaching and behavior management of the classroom
- Helping to develop and implement lesson plans and curriculum that align with IEP and/or ISP goals and objectives
- Helping to develop instructional materials including visual supports
- Helping to plan and organize daily activities to optimize treatment
- Taking data and contributing to clinical records and documentation
- Caring for students in a variety of settings and capacities
- Collaborating with interdisciplinary team members

- Attending staff meetings and training sessions

Requirements:

- Bachelor's Degree in related field (Psychology, Communication Sciences and Disorders, Special Education, etc.)
- Experience working with children with autism helpful, but will train.
- Passion for helping others and making an impact in the lives of students with autism

Rewards:

Bellefaire JCB offers competitive total rewards (benefits and compensation) options to its valued employees and their families, including domestic partners. All full-time employees are eligible to enroll for benefits the first day of the month following 30 days of employment.
